Subject: Muscogee - Draft Meeting Notes

Please see attached, draft meeting notes from conference call with Muscogee (Creek) Nation general discussion on permits. Per the meeting, the Tribe requested notes, along with everyone's point of contact information.

I have drafted a brief summary, if you can please review and advise any revisions or send additional notes that I may have missed during our meeting. I will make sure to include in final documents, thanks again for everyone's technical assistance!
